SWAP CARDS

Pull a card. Read it to your partner. They answer fully — no one-word escapes. Then they pull the next card for you.

Start at Tier One. Go deeper only when you're both ready.

*Each of you holds **one pass per tier**. Use it without explaining. A pass is an answer too.*

Warm *Up.*

Light. Playful. Gets the mouth moving before the heart does. One pass each, no explanations needed.
